THE MEGA-INSECT ARMY CORPS SHALL BE DESTROYED!

An intrigue has started among the Burgold, a tribe of midgets, who want to conquer the entire world They have turned insects into cyborgs and formed them into the vast army of Burgoid, which is now on the move with the intent to invade planet earth!

To wipe out the mega-insects, which are invulnerable to ordinary weapons, the humans have created an insect-sized warrior called Yanmer The warrior features wings that are more efficient than a jet engine and he wears a suit with special power

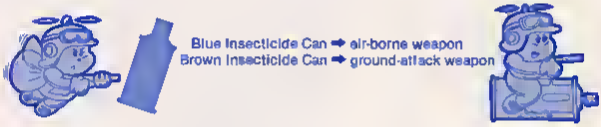
Yanmer — Your mission is to destroy the Burgoid monarch and save mankind from disaster!

Blue Insecticide Can = Special air-borne weapon with five different shells for a frontal attack (e.g. Missile Formation = Six missiles are fired behind the player and then are forward to destroy the enemy)

Brown Insecticide Can = Special ground-attack weapon with five different shells (e.g. Insecticide Bomb = Dropped on the ground where it emits smoke which attacks the enemy.)

Basic Techniques:

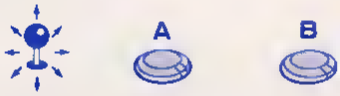
- There are eight different methods of attack including Blue Drop, Red Drop, and Net Raider with Machine Gun or Special Weapon.
- Player receives a special weapon by grabbing insecticide which appears when a middle-sized insect is destroyed in each round.



How to Play

- Use your skill with the eight-way joystick to destroy your enemies

- **How to Operate:**



Eight-way joystick — Shooting — Shooting with special weapon (when character picks up Insecticide)

- Five rounds Jungle
  Grassy Plains
  City
  Desert
  Underground Empire
- The player moves using propellers and wings.
- The player advances while attacking enemies using machine guns held in both hands. When he destroys his main enemy at the end of each round, the screen is cleared for the next round
- The game is ended when the player has no more lives
- When the game is over the player can choose to "Continue Game".

Key Power-enhancing Items

P = Increases power
PP = Increases power in two stages.
